RE: ARPA Funds
DATE: June 28, 2021

The Tribe is pleased to notify you that funding under the American Rescue Plan Act (published March 11, 2021) was awarded to the tribe and distributed to comply with the Coronavirus State and Local Fiscal Recovery Funds (SLRFR) to provide economic relief to members of the Tribe. These additional resources may help to maintain adequate housing, transportation, food, water, medication, medical care, utilities and basic life necessities to help alleviate the financial hardships endured from loss of income and increased costs due to the COVID-19 pandemic.

There are restrictions on how funds are to be distributed. A plan was developed to assist members with food, health needs and personal support. The maximum amount allowed per adult member is \$2,500. This is a one-time disbursement which will be disbursed once the application is completed.

There is a one-time disbursement amount allowed for each enrolled minor child in the amount of \$300.

The application is available on the website at: www.mpapomotribe.org

Please refer to the webpage for additional information related to this funding. For those members that do not have access to complete this application, we ask that you please contact the tribal office staff for assistance in this process.

Please be patient with this process. We appreciate your cooperation as the tribal office staff is working as quickly and efficiently as time permits.
